TRAIL SYMBOLS AND DESIGNATIONS

Trail symbols describe the general degree of challenge of trails only within this resort. Trail designations do not apply to terrain features that may exist on a trail. You are the sole judge of your ability to proceed on any trail or to use any terrain feature. Skill Development Areas (SDA) and Mountain Bike Terrain may include log jumps, rails, bridges, and other terrain features. They are provided for your enjoyment and offer adventure, challenge and fun. Skill Development Areas are designated by the orange SDA oval. Mountain Bike Terrain is designated by green circle, blue square, and single or double black diamond. Mountain Bike Terrain containing man-made features is designated with a solid orange oval. Prior to using Skill Development Areas and Mountain Bike Terrain, it is your responsibility to familiarize yourself with all instructions and warnings and to follow the "Mountain Bike Responsibility Code" and "Northstar Resort Information & Rules."
