Our mantra is Fun, Fresh and Fast. What takes hours to prepare takes only minutes to serve. We believe in using the freshest of ingredients along with seafood flown in daily and local produce and meats. Sustainable and healthy is important for us to serve and believe in.

“Come roll a phatty with us” only means one thing, our burritos and wraps are 20 oz monsters stuffed with all the goodness.

Below is our signature menu with predetermined Dakine Wraps menu for our folks who don't want to figure it out on their own. You can also roll your own Phatty Burrito with your chef moving down the line and picking what you want in it. You win both ways! Breakfast, Tacos, Burritos, Wraps, Salad Bowls, Nachos, Little Kahunas (kids) roll ups, daily specials, we have everything!
