

Tahoe Queen Northstar Ski Shuttle

The Tahoe Queen Ski Shuttle is back this winter taking passengers from Ski Run Marina in South Lake Tahoe to ski and snowboard at Northstar California. It will be running on Tuesdays and Thursdays.

There are often many tourists visiting the area who like to take a day off during their vacation. The Tahoe Queen Ski Shuttle is a perfect way to see Lake Tahoe in the daytime with an opportunity to ski at another resort for half a day; or simply explore other sights and shopping.

Guests will take their ski equipment aboard the Tahoe Queen and then enjoy the 2-1/2 hour cruise over to the Hyatt Regency Lake Tahoe. During the journey continental breakfast will be served, there'll be a Captain's narrative and ski movies will be playing on the televisions. There will be a retail store aboard for those that may have forgotten those vital ski and snowboard essentials; such as gloves and goggles!

Upon arrival at the Hyatt guests will be taken by bus directly to Northstar. Those that have ordered a lift ticket will receive it when they arrive at Northstar.

On the way back the cruise will be the highlight for many with entertainment from Randy Daggs and Dyna Mic Duo plus happy hour food and drink specials for purchase. The menu includes:

Clam Chowder	Cup \$4 / Bread Bowl \$6
Tahoe Queen Chili	Cup \$5 / Bread Bowl \$7
Chicken Wings	6 wings \$7 / 12 wings \$13
TQ Pulled Pork Slider	\$8
Sternwheeler Nachos	\$7 / Pulled Pork \$3 additional
Sandwich Special	\$12

The 2nd (middle) deck is where it will all be happening: the best après ski party at Lake Tahoe! The 1st (lower) deck will be quieter and an ideal location for families that want to avoid the folly to enjoy Tahoe's beautiful scenery and each other's company.

The cost of the Tahoe Queen Ski Shuttle is \$125 per person; which includes the morning cruise on the Tahoe Queen to the Hyatt Regency with continental breakfast, an adult lift ticket for Northstar, and the cruise back to Ski Run Marina at the end of the day. The price for those with their own lift ticket or for those who will not be skiing is \$59 for adults and \$30 for children.
